June 2016

PROJECT UPDATE

The contractor has removed the existing concrete structures from the site. The following activities now are underway. Crews are:

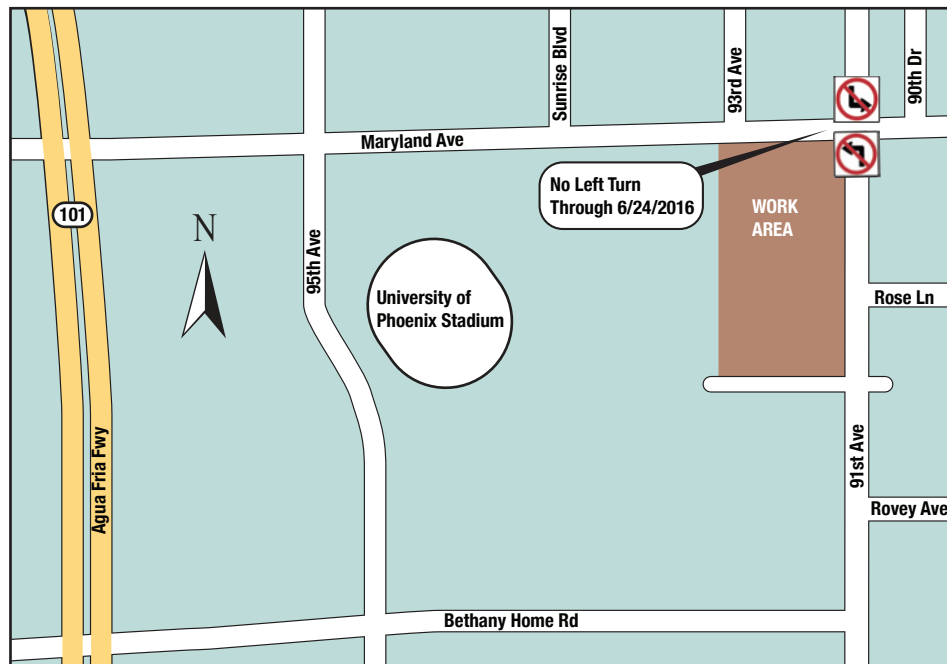

- grading the parking lot site
- placing aggregate base course (ABC) material in preparation for paving
- installing a 32-inch screen wall, water line and fire hydrant
- placing concrete headwalls, curb, sidewalks and driveway entrances
- installing electrical conduit and foundations for the new parking lot lights

ABOUT THE PROJECT

The city of Glendale is constructing a new parking lot on the southwest corner of 91st and Maryland avenues (the former Pendergast farm property). The new lot will add 2,700 parking spaces to accommodate the number of visitors and employees to the Westgate Center. Additional improvements planned for the new parking lot site include the installation of storm water basins, curb, sidewalk, lighting and a screen wall.

TRAFFIC RESTRICTIONS

Northbound and southbound left turns from 91st Avenue onto Maryland Avenue will not be permitted through Friday, June 24. Access will be maintained at all times for residents, businesses and emergency vehicles. Please allow extra time when traveling through the construction zone as there may be traffic delays.
